Bologna, December 16th, 2009

Dear Sir / Madam,

This communication is for a request of a CLASS II Permissive Change regarding to FCC ID U4F0019. This is in order to add the new model numbers of products that contain the radio module Small Size Star Module L.C. 910MHz.

The new model numbers are:

BC4010-BK-910-CF
BC4010-WH-910-CF
BC4030-BK-910-CF

Regarding the previous certified base station BC4010-BK-910, the new ones have added a UV LED module using the same Small Size Star Module L.C. 910MHz.

Kind regards,
R. Cacioppo
